I trust you know that there has been under consideration a proposal regarding the marriage of Prince Jaya Chamarendra Wadiyar of Mysore with the youngest sister of His Highness ~~the~~ Maharaja of Charkhari. The mother of Princess has written to their Highnesses the Yuvaraj Sahib and the Yuvarani Sahiba in this connection. I shall be grateful if you will please ascertain their wishes in the matter and let me know if responsible people could be sent to Mysore now with the horoscope and have further talks regarding the proposal.
